

GRASS CAMPSITES CAN CATCH ON FIRE IF A FIRE IS STARTED DIRECTLY ON THE GROUND.

Good!

NG

THAT'S WHY A STAND IS NECESSARY FOR CAMPFIRES IN THIS SITUATION.

NO FIRE ANYWHERE DIRECTLY ON THE GROUND

WE HAVE RUNNING WATER

GREAT VIEWS!

500 YEN FOR A BUNDLE OF FIREWOOD

I ALSO NEED TO RENT A STAND HERE...

WARM+

I'LL JUST COZY UP IN MY SLEEPING BAG IF IT GETS CHILLY...

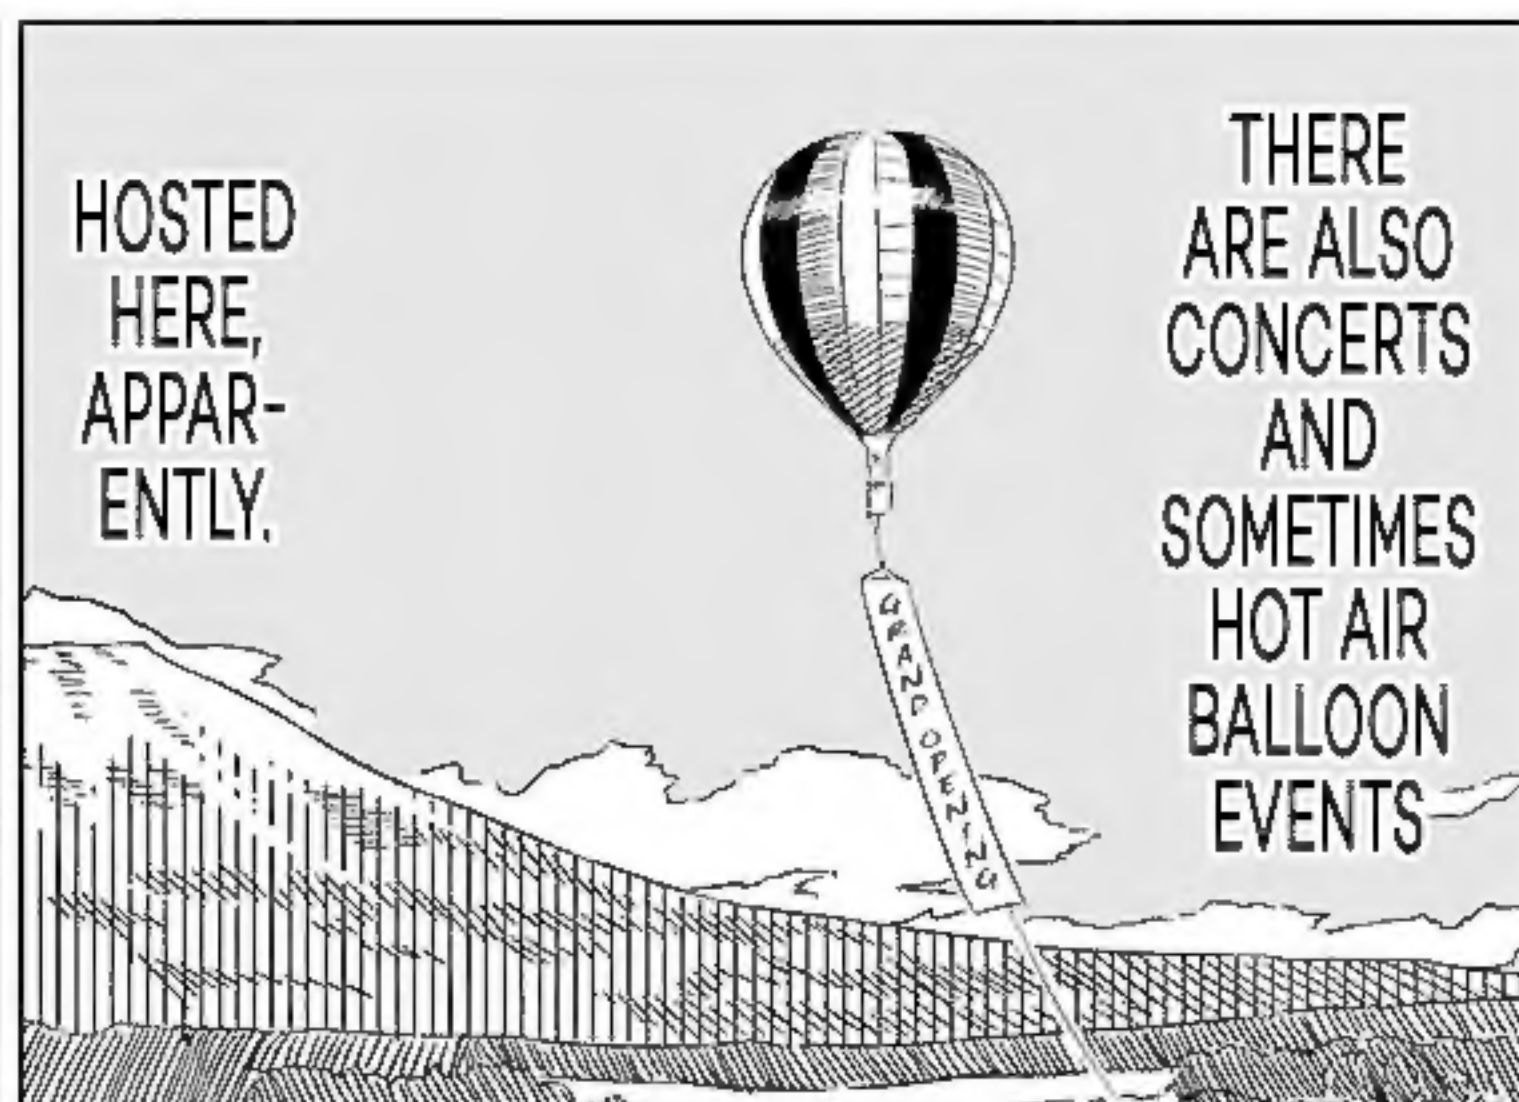

AND THE STAND COSTS ANOTHER 2500 YEN...

I PROBABLY NEED LIKE 3 BUNDLES, SO THAT'S 1500 YEN...

Fumotoppara Campground

Located to the west of Mt. Fuji, this campground is an open field with basic facilities. The name is a combination of the words “fumoto” and “nohara,” which translate respectively to “base of mountain” and “grass field.” An accurate description, to say the least. Other than that, the chapter covers most of the important information and sights to see. Even the prices are still right!
